

2009 BCIHA SCHOLARSHIP RECIPIENT ANNOUNCED

July 6, 2009, For immediate release:

The BC Inline Hockey Association is pleased to announce the recipient of the 2009 BCIHA Scholarship. Joshua Randall from the North Shore Inline Hockey League is the winner of the \$500.00 scholarship. This is the 7th consecutive year that the BCIHA has recognized the accomplishments of one of its member players.

Joshua has proven to be a roller hockey enthusiast as both a player and league volunteer for the past 3 years. While being an avid player at the House League level, Joshua has also been involved in the League operation as a coach and referee. “As a player Josh shows great character and is one of those kids you love to have on your team,” says NSIHL President Mike Smith. “Josh has proven that he is mature beyond his years. Last year he supported our League by volunteering as coach for a team of grade 6 and 7 boys and girls.”

Beyond Joshua’s roller hockey commitments he has also shown to be well-rounded student-athlete. “Josh is a scholar, an athlete, an employee, and a huge participant in school service clubs and councils,” says Seycove Secondary Counsellor Nancy Roberts. “Quite simply, Josh is a leader who has the respect of his peers and teachers.”

The 2009 Scholarship Award will assist Joshua in his post-secondary pursuits at Queens University. Joshua’s long-term goals include study in the applied science program and a career in engineering.

This is the fourth time the award has gone to a player from the North Shore Inline Hockey League.
